TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hill in the County of Merrimack in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Hill on Tuesday, 8 March 1977, at 1 p.m. to vote for Town officers:

1. To choose all necessary Town officers for the ensuing year.

POLLS WILL BE OPEN AT 1 P.M.
AND WILL NOT BE CLOSED BEFORE 6 P.M.

THE BUSINESS MEETING TO CONSIDER THE REMAINING ARTICLES OF THIS WARRANT WILL OPEN AT THE TOWN HALL IN SAID HILL ON SATURDAY, 12 MARCH 1977 AT 1 P.M. TO ACT UPON THE FOLLOWING ARTICLES:

2. To see what sum the Town will vote to raise and appropriate to defray the general government expenses of the Town for the ensuing year.
3. To see if the Town will vote to authorize the Selectmen to borrow on behalf of the Town by the issuance of serial notes or bonds in compliance with the provisions of the Municipal Finance Act a sum not to exceed \$25,000.00 in anticipation of taxes for the year 1977, said notes to be payable from taxes within one year from the date of issuance, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effectuate the issuance, negotiation, sale, and delivery of such bonds or notes as shall be in the best interest of the Town of Hill.
4. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 to defray, for the period beginning July 1, 1977, the cost of suitable solid waste disposal in order to comply with state laws governing the disposal of such solid waste after 1 July 1977; to authorize the Selectmen to make such alterations at the present dump sight as may be necessary to comply with said state laws; to authorize the Selectmen to adopt such rules and regulations as may be necessary to control the collection and disposal of solid waste in the Town; and to further authorize the Selectmen to make such agreements and enter into such contracts as may be necessary to accomplish the purposes of this article.
5. To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$3,000.00 from the accrued income of the Ferrin Fund and to deposit said sum in the Capital Reserve Fund — Highway Equipment.

6. To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$1,000.00 from the accrued income of the Ferrin Fund and to deposit said sum in the Capital Reserve Fund — Police Department cruiser.
7. To see if the Town will vote to authorize the Selectmen to withdraw from the Capital Reserve Fund — Fire Truck the sum of \$975.00 to be used for the purchase of breathing equipment by the fire department.
8. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the purpose of painting the water tank, such sum to be raised by the issuance of serial bonds or notes not to exceed 3,000.00 under and in compliance with the provisions of the Municipal Finance Act, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiations, sale, and delivery of such bonds or notes as shall be in the best interest of the Town of Hill, said bonds or notes to be repaid by water department receipts over a period not to exceed three years.
9. To see if the Town will vote to authorize the Water Commissioners to set and establish residential water rentals at such rentals as the Commissioners determine in their sole discretion to be necessary.
10. To see if the Town will vote to raise and appropriate a sum not to exceed \$9,500.00 to be used for the tax mapping of the Town of Hill; and to further authorize the Selectmen to negotiate an agreement for said tax mapping at a figure not to exceed \$9,500.00, to be paid at a rate of \$1,600.00 annually, and to authorize the Selectmen to take such other actions as may be necessary to negotiate and execute such an agreement, and to authorize and allow the Selectmen to withdraw up to \$1,600.00 per year from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972 each year, with the balance to be withdrawn from the Capital Reserve Fund — Tax Mapping Fund until said funds are exhausted, and the balance to be then raised by taxation.
11. To see if the Town will vote to authorize the Selectmen to sell the truck known as the "Walters" upon such terms and conditions as are determined by the Selectmen to be in the best interest of the Town; and to authorize the Selectmen to place the proceeds from the sale, after deducting all expenses of the sale, in the Capital Reserve Fund — Highway Equipment.
12. To see if the Town will vote to raise and appropriate the sum of \$16,500.00 for the purpose of replacing the bridge on Bunker Hill Road over Rowell Brook, such sum to be raised by the issuance of serial bonds or notes not to exceed \$16,500.00 under and in compliance with the provisions of the Municipal Finance Act, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale, and delivery of such bonds or notes as shall be in the best interest of the Town of Hill.

13. To see if the Town will vote to authorize the Selectmen to establish a capital reserve fund for the purpose of financing the future revaluation of the real estate in the Town of Hill, said fund, if established by the Town, shall be in the custody of the Trustees of Trust Funds for the Town as specified in RSA 35:2; said capital reserve fund to be entitled, Capital Reserve Fund — Revaluation; and further to see if the Town will vote to appropriate the sum of \$1,500.00 therefor, and to authorize the withdrawal of \$1,500.00 for this purpose from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972.
14. To see if the Town will vote to raise and appropriate a sum not to exceed \$550.00 for the purchase of 52 chairs and 4 tables for the Town Hall.
15. To see if the Town will vote to raise and appropriate a sum not to exceed \$350.00 for the purchase of a wet-dry vacuum for use in the Town Hill.
16. To see if the Town will vote to authorize the Selectmen to make application for, accept, and expend on behalf of the Town all gifts, advances, grants in aid, Revenue Sharing Funds, or other funds as may now or hereafter be available or forthcoming from the United States Government, State of New Hampshire, or any other federal, state, or local agency.
17. To transact any other business that may legally come before said meeting.

Given under our hands and seals, this 14th day of February, in the year of our Lord nineteen hundred and seventy-seven.

Richard F. Chadbourne
Joyce Colby
Wendell D. Ackerman
Selectmen of Hill

A true copy of warrant — Attest:

Richard F. Chadbourne
Joyce Colby
Wendell D. Ackerman
Selectmen of Hill

February 15, 1977

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at the Post Office being a public place in said Town on the 15th day of February, 1977.

Richard F. Chadbourne
Joyce Colby
Wendell D. Ackerman
Selectmen of Hill

Available Unobligated Funds — Dec. 31, 1976

I have examined the accounts and records of the Revenue Sharing Fund of the Town of Hill, N. H. for the fiscal year ended Dec. 31, 1976.

In my opinion, the above Statement of Revenue, Appropriations, Encumbrances and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Hill, N. H. for the year ended Dec. 31, 1976.

Dorothy Robie
Auditor, Town of Hill

February 15, 1977

REPORT OF FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

Forest Fire Warden

REPORT OF VOLUNTEER FIRE DEPARTMENT

The Fire Department responded to 40 calls during the year.

- 7 dump fires
- 2 grass fires
- 1 skidder fire
- 2 lightning strikes
- 4 medical emergencies
- 20 mutual aid calls to neighboring towns

Training in excess of 598 man hours was received, which included Mutual Aid drills, fire school at Lily Pond in Gilford and classroom work at Laconia Voc. Tech. School which was attended by 5 department members.

Two men attended EMT training class at Bristol and received certificates for same.

The new fire pumper truck was delivered May 1, 1976 by the manufacturer Mr. Bruce Gilbert of Gilbert Welding Co. Manchester, N. H. and the truck has passed all required tests and is proving to be very satisfactory.

Wendell Ackerman
Chief

REPORT OF POLICE DEPARTMENT

The Bicentennial and it's celebrations have come and gone but the problems of policing the Town still exists.

One of my greatest pleasures was to watch children paint the hydrants, and what an excellent job they did. The money for the prizes was out of pocket and not from the police budget.

There were several problems that arose which needed additional help from outside. The response from the Franklin Police Dpartment was very gratifying, as well as ever ready help from State Police.

It was necessary to have a valve job done on the cruiser which made it run much better. We are going to try to make this car last at least for another year if at all possible. We have used our own cars a number of times to keep the costs of the cruiser at a minimum. On the other hand, the cruiser should be used and seen as a deterrent to some act that might be contemplated. A capitol reserve should be built up and available to be used in the near future, for the purchase of another cruiser as the mileage is quite high on this one. The Town of Hill does not seem big enough for a full time police department, but in the years to come it is going to be a must, to meet the demands of the public.

Below are some of the statistics which involved our efforts:

Accidents	9
Arson? (fires)	2
Assist other departments	16
Burglaries	11
Complaints re: dogs	21
Courts	9
Harrassments	7
Investigations	51
Larcenies	17
Malicious mischief	16
Motor vehicle checkups	29
Phone calls to Dept.	276
Prowlers	9
Residence checked	396
Truancies	16

Fletcher Forsyth
Chief of Police

WARRANT FOR SPECIAL TOWN MEETING

To the Inhabitants of the Town of Hill, New Hampshire Qualified to vote in Town Affairs:

Pursuant to a decree of the Superior Court in and for the County of Merrimack and State of New Hampshire dated July 28, 1976 authorizing the Town of Hill to hold a Special Town Meeting with the same authority as an Annual Town Meeting for the expenditure of funds, a copy of which is attached hereto, you are hereby notified to meet at the Town Hall in said Hill on the 16th day of August, 1976 at eight o'clock in the evening, to act upon the Articles set forth in this Warrant.

ARTICLE 1. To see if the Town will vote —,

To raise and appropriate the sum of \$16,000.00 to defray the cost of rebuilding roads in the Town of Hill destroyed or damaged by the flash flooding during the storm of July 11, 1976.

ARTICLE 2. To see if the Town will vote —,

To raise and appropriate the sum of \$6,785.00 to be matched by the present TRA allotment and Duncan Fund allocation to defray the cost of rebuilding roads destroyed or damaged by the flash flooding during the storm of July 11, 1976.

ARTICLE 3. To see if the Town will vote —,

To raise and appropriate a sum not exceeding \$2,900.00 for the purchase of a new four wheel drive pickup truck.

ARTICLE 4. To see if the Town will vote —,

To appropriate \$2,800.00 from the Highway Equipment Reserve Fund to be used with the funds raised and appropriated in Article 3 for the purchase of the said four wheel drive pickup truck.

ARTICLE 5. To see if the Town will vote —,

To permit the Selectmen to sell by sealed bid after advertisement a 1969 Ford Pickup Truck and to apply the proceeds to defray the cost of the new four wheel drive vehicle.

ARTICLE 6. To see if the Town will vote —,

To appropriate the accrued interest on the Fire Truck Capital Reserve Fund for the purchase of additional fire equipment.

ARTICLE 7. To see if the Town will vote —,

To authorize the Selectmen to selectively cut timber on Town property. The lumber therefrom to be used for Town projects or to be sold at the discretion of the Selectmen.

ARTICLE 8. To see if the Town will vote —,

To name the present ball field the "Maurice P. Wheeler Park".

ARTICLE 9. To transact any other business that may legally come before the meeting.

Given under our hands at said Hill this 31st day of July, 1976.

Richard F. Chadbourne
Joyce Colby
Wendell Ackerman

HILL SCHOOL DISTRICT WARRANT

1977

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Hill
qualified to vote in District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE HILL TOWN HALL IN SAID
DISTRICT ON THE EIGHTH DAY OF MARCH 1977 AT 1:00 P.M. IN THE AFTERNOON
TO VOTE FOR DISTRICT OFFICERS:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the coming year.
3. To choose a Treasurer for the coming year.
4. To choose a Member of the School Board for the Ensuing
three years.
5. To choose an Auditor for the coming year.

Voting will be by official ballot and checklist. The polls will
remain open from 1:00 p.m. to 6:00 p.m.

The foregoing procedure calling for election of the district
officers at the Annual Town Meeting is authorized by Statute (RSA
197:1-a) and was adopted by the Hill School District at its 1974
Annual Meeting. The regular business meeting of the District will
be held on March 3, 1977.

GIVEN UNDER OUR HANDS AND SEALS AT HILL, NEW HAMPSHIRE ON THIS 24th DAY
OF JANUARY 1977:

<u>Frederick Thomson</u>)	
<u>Theodore Dickerson</u>)	
<u>Lee-Ann Forsyth</u>)	School Board

A TRUE COPY OF WARRANT-ATTEST:

<u>Theodore Dickerson</u>)	
<u>Lee-Ann Forsyth</u>)	School Board

HILL SCHOOL DISTRICT WARRANT

1977

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Hill qualified to vote in District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE HILL TOWN HALL IN SAID DISTRICT ON THE THIRD DAY OF MARCH 1977 AT 7:00 P.M. IN THE EVENING TO ACT ON THE FOLLOWING ARTICLES:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district.
2. To hear reports of Agents, Auditors, Committees, or Officers chosen and to pass any vote relating thereto.
3. To choose Agents and Committees in relation to any subject embraced in this warrant.
4. To see if the school district will vote to accept the provisions of RSA 195-A (as amended) providing for the establishment of an area school located in Franklin to serve grades 7 thru 12 from the school districts of Hill and Franklin in accordance with the provisions of the plan on file with the district clerk?
5. "To see if the voters will rescind warrant article #6 which was passed at the 1976 Annual School District Meeting and vote to authorize the Hill School Board to request an audit by the Municipal Accounting Division of the Department of Revenue Administration and to further authorize the Hill School Board to contract for an audit by an independent auditing agent rather than the Municipal Accounting Division of the Department of Revenue Administration when and if state statutes authorize contracting with independent auditing firms."
6. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriations, which is to be raised by taxes by the Town.
7. To transact any other business that may legally come before the meeting.

The School District Officers are to be elected at the Annual Town Meeting on March 8, 1977 as voted by the District at the Annual Meeting in 1974.

GIVEN UNDER OUR HANDS AND SEALS AT SAID HILL ON THIS 2ND DAY OF FEBRUARY, 1977.

REPORT FROM THE OFFICE OF THE SUPERINTENDENT

To the Citizens of Hill: This report is written to inform you of the many happenings within your school and to provide you with insights as to future needs.

Instructional Program

This has been a year of continued growth and improvement in the education of the children of Hill. Much progress has been made in the new Language Arts/Reading program which is in its second year. The staff has been able to adjust the materials to the numerous needs of the students. The Social Studies program is being developed as this year progresses. New and very valuable learning experiences have resulted from viewing our world first from the local, then to the state and to the National scene, as well as world affairs. Integration of concepts and actual experiences have provided a program for which the parents of Hill can be proud. A complete overview of the program will be available in the spring.

A new supplemental math program titled "Project Smart" is being introduced by Mr. Tuttle following a training workshop which he attended in October. This program will provide a solid reinforcement of basic skills using cassette tapes and programmed booklets.

New Teacher-Principal

Mr. Robert Smolen joined our staff this year replacing Melanie Gay as Teacher-Principal. He comes to us with six years of experience in the classroom in Connecticut. His administrative experiences and his background in Social Studies curriculum have provided the staff with guidance in developing the new program.

Staff Development

Staff development activities continue to draw a lot of attention by the teachers. Each is involved in a program that provides for continued upgrading of their teaching skills. Workshops have been conducted this year by the State Department of Education and Supervisory Union personnel to meet the needs identified by the staff. In addition, teachers have been involved in out of district visitations and graduate level courses from the University system.

Athletic Program

An area of concern has been the somewhat limited athletic program due to cuts made in the town's recreation budget last year. The loss of our privilege to participate in the inter-school competitions with the Bristol community programs that the students thoroughly enjoyed over the past years, has been felt by our students. Nearly forty students have been involved each season. Hopefully, these funds will be restored this year because we feel that competition on a low-key basis is a part of schooling.

Public Law 94-142 - The Education for All Handicapped Children Act

New federal law opens the public schools and the taxpayers of the district to an entirely new area of responsibility i.e., that of educating, in the least restrictive way, all handicapped children.

Briefly, "It is the purpose of this Act to assure that all handicapped children have available to them... a free appropriate public education which emphasizes special education and related services designed to meet their unique needs, to assure that the rights of handicapped children and

their parents or guardians are protected, to assist States and localities to provide for the education of all handicapped children and to assess and assure the effectiveness of efforts to educate handicapped children."

To highlight the intent of this paragraph, the following segments have been taken from the law to clarify meanings:

The law seeks to guarantee the availability of a free appropriate public education to all handicapped children; which means we must define and develop special education to mean specially designed instruction, at no cost to parents or guardians, to meet the unique needs of the handicapped child. This may be classroom instruction, instruction in physical education, home instruction, and instruction in hospitals and institutions.

Related services include transportation and such developmental, corrective, and supportive services as may be needed to help a handicapped child benefit from special education. Examples of related services include speech pathology and audiology, psychological services, physical and occupational therapy, recreation, and medical and counseling services used for diagnostic and evaluation purposes. It also includes the early identification and assessment of handicapping conditions in children.

The law requires States and localities to establish priorities for providing a free appropriate public education to all handicapped children. The first priority is to children who are not receiving any education. The second priority is to the most severely handicapped children within each disability who are receiving an inadequate education. These priorities must be implemented by October 1, 1977.

P.L. 94-142 guarantees a FREE APPROPRIATE PUBLIC education to all handicapped children. This means that special education and related services must be made available at public expense, under public supervision and direction, and without charge. The program must meet the standards of the State education agency. The public system must provide appropriate programs. An individualized education program must be provided for each child.

A free appropriate public education must be available for all handicapped children between the ages of 3 and 18 within the State not later than September 1, 1978, and for all handicapped children between the ages of 3 and 21, not later than September 1, 1980. However, for handicapped children aged 3 through 5 and aged 18 through 21, this clause shall not be applied in any State if its application would be inconsistent with that State's law or practice, or the order of any court, respecting public education within such age groups in the State.

In New Hampshire, we are required to service students age 6 through 21 if they have not received a regular high school diploma at age 18.

If a local school district is unable to provide the needed services because it is too small, the State may require districts to submit a consolidated application. We will be filing for funds as Supervisory Union Eighteen, not as individual districts.

If a State or local education agency places a child in a private facility as a means of carrying out public policy, and if that facility meets all the requirements of the Act, then funds available under this Act may be used to provide special education and related services to these children.

Further, "the Congress finds that State and local education agencies have a responsibility to provide education for all handicapped children, but present financial resources are inadequate to meet the special educational needs of handicapped children". Therefore, funding will be a part of this bill.

Starting with fiscal year 1978, state allocations will be calculated by a formula. The new formula again involves the 3 through 21 age range, but counts only those youngsters who are handicapped and who are receiving special education. Thus, the more handicapped children the State sets out to educate, the greater the amount the State will be entitled to receive. In order to determine the amount of the State allocation, the number of children is multiplied by a specified percentage of the national average per pupil expenditure per child. The percent factor increases each year until it reaches a maximum of 40% in October 1981.

P.L. 94-142 carries a special incentive grant aimed at encouraging the States to provide special education and related services to their pre-school handicapped child aged 3 through 5 who is served will generate a special additional entitlement. States must apply for these grants separately, however.

Protecting the Rights of Handicapped Children and Their Parents

P.L. 94-142 makes a number of critical stipulations that must be adhered to by both the State and its localities. Most of these provisions previously existed in P.L. 93-380 but have been further refined in P.L. 94-142.

Policies and procedures must be in effect to protect the confidentiality of personally identifiable information.

Handicapped children must be educated with nonhandicapped children to the maximum extent appropriate.

Nondiscriminatory testing practices must be in effect.

Individualized educational programs must be written for each child and must be reviewed at least once a year (effective October 1977).

Due process procedures must be guaranteed with respect to all matters of identification, evaluation, and placement.

Parents have the right to examine records pertaining to identification, evaluation, and placement and to obtain an independent educational evaluation.

A surrogate parent will be assigned to any child whose parents are unknown or unavailable or any child who is a ward of the State.

Parents must receive a written notice prior to any change in placement or evaluation of a child.

Notice must be in the parents' native language (effective October 1977).

In preparing for the implementation of this law, the staff and Central Office Administrators have developed a procedures manual in accordance with the law and approved by the Board, to properly program handicapped students. A great deal of time and effort has been spent thus far in preparing for educating all handicapped children. To date we have identified twelve students from Hill who are handicapped and will need a special education.

Hill has a legal liability to provide up to the State average tuition for each child and a like amount for transportation. This means that the liability for next year could reach as high as ten thousand dollars should out-of-district placements be found to be the least restrictive alternative to the child. However, with our current staff and programs in Hill and Franklin, such an expenditure will not be necessary next year.

In summary, our year has been a very active one and one that has seen excellent cooperation between the groups within the community that works with children. Hill is lucky to have a fine staff, dedicated School Board and residents who desire quality education for their children.

Respectfully submitted,

Fokion Lafionatis
Superintendent of Schools

Paul Fillion
Assistant Superintendent of Schools

Roland J. Desrochers
Business Administrator

ANNUAL REPORT OF THE PRINCIPAL

The Jennie D. Blake School year 1976-77 has been extremely successful in following its goals and objectives as we are in the second year of our three year developmental program. Our staff has developed a consistency in its instruction and in its programs while our inservice half days have continued to strengthen these efforts. This year we strove to return to the strong basics of curriculum, structure and discipline.

Our school population began with 59 students.

Our staff returns Georgette Huckins, grades I and II; Carol Twomey, Music Teacher, grades I through VI; Hal Tuttle, Math, Science, Physical Education, grades III to VI; and Pat Athanas, Resource Teacher.

My position as Teaching-Principal encompasses all administrative duties while teaching Language Arts and Social Studies to grades III through VI. I am originally from the Colchester, Connecticut School System where I taught for six years. While teaching, I actively secured my Masters in Elementary Education and my Sixth Year Degree in Administration and Supervision from the University of Hartford.

We have also worked on several new programs to enrich the lives of the children. We have enjoyed the creative drama for children from the University of New Hampshire while working on outdoor education with the Squam Lakes Science Center. We have taken successful field trips to supplement our new Social Studies Program, as evidenced by our trip to Heritage, New Hampshire. In Math we are involved with Project Smart, which develops individual strengths and develops basics while children move at their own pace.

I would like to thank the school volunteers, townspeople and the Board of Education for their strong support and cooperation. Special thanks should be given to Nancy Byers who heads our lunch program and to Lee-Ann Forsyth, President of the P.T.O. and its members for a successful year.

Respectfully submitted,

Robert Smolen
Principal

1976 ANNUAL REPORT

SCHOOL DISTRICT REPORT
School Meeting

Pursuant to the attached warrants, the annual school district meeting was held at the Hill Town Hall on March 1, 1976, at 7:30 P.M. Moderator James Quimby called the meeting to order and opened with a prayer.

The warrant was read article by article.

I. Voted that salaries of School Board, Truant Officer and other officers and agents of the district be a total of \$450.00

II. Voted that the reports of Agents, Committees, and Officers be accepted as printed in the Annual Report and that the report of the Auditor be made available when it is received, and further voted that the report of the Area Study Committee be accepted as given at this meeting.

III. No action was taken on this article as there were no Committees to be appointed.

IV. Voted that the School Board be authorized to receive and expend the sum of \$1,000.00 from the Ferrin Fund to pay for capital improvements at the Jennie D. Blake School.

V. Voted that no action be taken on Prayer in school at this time.

VI. Voted that the School Board be authorized to request the Municipal Accounting Division of the Department of Revenue Administration to conduct an audit of District's books for 1975-1976. It was also voted that a local person be employed as auditor for next year.

VII. Budget was discussed item by item. It was voted that the District raise and appropriate the sum of \$171,882.50 for the support of schools, for the salaries of district officers and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectment the balance between the estimated revenue and the appropriations, which is to be raised by taxes by the town.

VIII. A standing vote of thanks was given William Cummings II, retiring School Board member, for service as a faithful school board member.

There being no further business at this time, the meeting recessed until 1:00 P.M. on March 2, 1976, for the purpose of electing officers.

Meeting called to order on March 2, 1976, at 1:00 P.M. for election of school officers. The warrant was read by acting moderator, Dorothy MacIntosh.

Polls closed at 6:30 P.M. The following officers were elected:

School Board Member for three yearsLee-Ann Forsyth
ModeratorJames Quimby
TreasurerFrances B. Wheeler
ClerkGrace W. Colby

There being no further business, the meeting was adjourned.

Respectfully submitted,
Grace W. Colby

Dear Mr. LaFionatis:

This communication is intended to serve as a status report on the examination made by this Division of the accounts and records of the Hill School District.

The auditors' report and summary of findings are currently awaiting final Division review in keeping with our established policy. We do not expect to be able to submit a report of this audit prior to the publication of the 1976 Annual Report.

We regret the inconvenience which this may cause. However, we fully expect that our report will be finalized and forwarded to your office in the very near future.

Very truly yours,

Lorraine F. Racette
Assistant Director

PROPOSED A.R.E.A. AGREEMENT

A copy of the Proposed Authorized Regional Enrollment Area (A.R.E.A.) Agreement is included in this report in order that you may become familiar with it before casting your ballot at the Annual School District meeting. It is included in warrant number four (4).

As of the writing of this report, the Agreement has been through two public hearings and is now before the State Board of Education for their approval.

We want to give special recognition to Mr. Fred Thomson, Mr. William Cummings II and Mr. John Lynch, members of the A.R.E.A. Planning Board for their time and efforts. They very capably represented the best interests of the taxpayers and students of Hill over the twelve months it took to develop this Agreement.

s/Superintendent of Schools

WRITTEN PLAN FOR AUTHORIZED REGIONAL ENROLLMENT AREA

FOR THE

FRANKLIN AND HILL SCHOOL DISTRICTS

THIS AGREEMENT is entered into pursuant to RSA 195-A by the school district of the city of Franklin, Merrimack County, New Hampshire (hereinafter called "Franklin") and the Hill school district, Merrimack County, New Hampshire (hereinafter called "Hill").

WITNESSETH that, in consideration of the mutual agreements contained herein, Franklin and Hill hereby agree to enter an Authorized Regional Enrollment Area (AREA) Plan upon the following terms and conditions:

1. The Franklin junior-senior high school, located in the city of Franklin, New Hampshire, shall be the AREA school.

2. Hill shall be the sending district and Franklin shall be the receiving district. Together they shall form the region which the AREA school shall serve.

3. The AREA school shall be responsible for grades 7 through 12.

4. The rate of tuition per pupil to be paid by Hill to Franklin shall be determined annually in the manner specified in this section and shall be paid at the time specified in section 5. Tuition shall consist of payments for operating costs, rental and new facilities charge.

A. The per pupil operating costs shall be based upon the average per pupil costs of operation for grades 7 and 8, and 9 through 12, respectively,

in the Franklin junior-senior high school for the school year preceding the year to which the tuition rates apply; provided however, that the amount so determined shall be increased by an amount equal to the average increase in operating costs for the 2 preceding school years. The amount of this increase shall be phased in over a 5 year period so that tuition for the 1977-78 school year shall be increased by 1/5 of the average increase, for the 1978-79 school year by 2/5 of the average increase, and so on until the full average increase is implemented.

B. (1) The rental portion of the tuition payment for the 1977-78 school year through the 1987-88 school year shall be determined as follows:

(a) First determine an amount equal to 2 percent of the depreciated values of the land, buildings, and equipment of the Franklin junior-senior high school, exclusive of the value of the new addition to said buildings completed in 1963, which values are hereby agreed to be as follows:

Franklin Junior-Senior High School Building	
exclusive of	
new addition	\$698,309
land	10,000
equipment	<u>62,000</u>
Total	\$770,309

(b) The amount so determined shall be divided by the average daily membership of the Franklin junior-senior high school for second year preceeding the year to which the tuition payment will apply to obtain the per pupil rental portion of the tuition payment.

(2) Commencing with the tuition payment for the 1988-89 school year the rental portion of the tuition payment shall be determined as follows:

(a) Determine an amount equal to one percent of the then current value of the land, buildings and equipment of the AREA school excluding any land, buildings and equipment on which Hill has paid or is paying a new facilities charge. The current value of the buildings is agreed to be the Reproduction Cost less Depreciation.

(b) In the event that the parties hereto are unable to agree on the current value of land, buildings, and equipment as mentioned in (2)(a) above, the parties agree that they shall meet and select an appraiser who is mutually acceptable to hear the dispute, appraise the land, buildings, and equipment, and make a determination. In the event that the parties cannot agree on a mutually acceptable appraiser, the dispute shall upon application made in conformity with RSA 542:4 be heard before an arbitrator appointed by the Merrimack County Superior Court. The parties agree that the determination of the appraiser or arbitrator shall be binding upon them and that any expense in connection with said arbitration shall be shared equally by the parties.

(c) The amount so determined shall be divided by the average daily membership of the Franklin junior-senior high school for the 2nd year preceding the year to which the tuition payment will apply to obtain the per pupil rental portion of the tuition payment. The amount of increase over the rental portion for the 1987-88 school year shall be phased in over a 3-year period so that: for the 1988-89 school year, $1/3$ of the increase over the 1987-88 rental charge shall be paid; for the 1989-90 school year, $2/3$ of the increase over the 1987-88 rental charge shall be paid; and thereafter the full amount of the increase shall be paid.

C. The new facility charge of the tuition payment shall be determined as follows:

(1) Hill shall pay to Franklin a per pupil charge for the capital costs of constructing and equipping new secondary school facilities and the interest charges for financing the same, with allowance made for any building aid received for such facilities as hereinafter provided. Such charge, hereinafter referred to as "New Facilities Charge" shall be charged to Hill only in those years during which the cost of such new facility is being amortized and not thereafter. The new facilities charge shall be calculated in accordance with the following formula:

(a) The total cost of constructing, equipping and financing such new facility shall be divided by the number of years over which the cost of such new facility shall be amortized. From the result of said calculation shall be deducted the amount of any building aid for such new facilities from state and federal sources received in the year for which the new facilities charge is determined.

(b) The result of the calculation in subparagraph (a) shall be divided by the average daily membership of the Franklin Junior-Senior High School for the second year preceding the year for which the new facilities charge shall be determined to obtain the new facilities charge.

(2) The new addition to the Franklin Junior-Senior High School completed in the year 1963, shall be considered a new facility within the meaning of this section. The total cost of constructing, equipping and financing the same is hereby agreed to be \$610,419 and the amortization period to be 20 years from 1963 to and including 1982.

5. Franklin shall forward to Hill a statement for tuition payments twice each school year in October and April. The October statement shall be for 4/10 of the total amount due for that year and the April statement shall be for the balance due. The October payment shall be

made by Hill no later than December 1 after receipt of the statement and the April payment shall be made by Hill no later than June 1 after receipt of the statement. Hill shall not be responsible for tuition for any Hill students attending any private school.

A. The annual charge for each Hill pupil shall be determined by multiplying the total per pupil charges determined under section 4 by the number of days the Hill pupil is registered in the AREA school and then dividing by 180.

B. The total annual tuition charge to be paid by Hill to Franklin shall be the sum of the annual charges for all Hill pupils registered in the AREA school for the school year.

C. Special programming of handicapped children who reside in Hill to attend schools other than the Area Schools shall be the responsibility of Hill.

D. Hill shall be given credit for the time Hill students are attending the Area #8 Vocational Center in Laconia. Hill shall be responsible for paying the tuition bill for the actual time Hill students attend the Area #8 Vocational Education Center in Laconia.

E. A final accounting adjustment shall be made no later than June 30 each year to correct any differences between estimates and actual experience.

6. Franklin shall receive all incentive aid paid for the operation of the AREA school in accordance with RSA 198:19; but one half of the amount so received in any year shall be credited against the total charges for which Hill is liable in that year. Such credit shall be made on the April statement.

7. Franklin, as the receiving district, shall receive all additional state building aid to be received for bond payments now being made on the AREA school or for any future bond payments on the AREA school.

8. The estimated initial enrollment in the AREA school from Hill as of September 1, 1977 is as follows:

GRADE:	7	8	9	10	11	12
NUMBER OF PUPILS:	10	15	10	16	14	9

9. Hill shall send all of its junior and senior high school pupils to the AREA school with the exception of the children of Anson Libby and Donald Riel. These families have the option of enrolling their children in the AREA school or some other school.

10. The date of operating responsibility shall be July 1, 1977.

11. This agreement shall not prohibit Franklin from receiving tuition pupils from other school districts nor from entering into AREA agreements with other school districts, but should any AREA agreement be entered into with another district containing lower tuition charges than in this agreement then Hill will be entitled to the same tuition charges.

12. Annually, there shall be at least 2 joint board meetings of the Franklin and Hill school boards for the purpose of consulting and advising on any and all matters of joint interest. The Hill School Board shall be seasonably notified in writing of all changes in the instructional and curriculum programs. The chairman of the Hill School Board shall receive a copy of the Franklin School Board agenda packet to accomplish this requirement.

13. The AREA school shall provide Hill with progress reports and attendance reports for all Hill pupils enrolled in the AREA school. The same pupil regulations shall apply to pupils from Franklin and Hill.

14. On the effective date of this agreement, the tuition contract between Hill and Franklin shall become void, except that any amounts outstanding under that contract on such effective date shall be paid according to that contract.

15. Any amendment to or withdrawal from this agreement may be made only in accordance with RSA 195-A:14.

16. This agreement shall take effect as specified in section 10 upon approval of this agreement as provided in RSA 195-A:3.

IN WITNESS WHEREOF, this agreement has been executed this _____ day of _____, 197__.
